Real Racing Speed
The Real Deal

The Supercar Experience

The Supercar Experience was created to give everyone the opportunity of a lifetime - to experience the excitement of a real V8 Supercar!

For the individual or group, The Supercar Experience will provide the ride of your life!

The principal driver is **Mal Rose**, an accomplished V8 Supercar driver with over 20 years experience including being twice National Champion.

Our team of drivers are all **experienced V8 Supercar** racers!

V8 Supercars are the most exciting form of motorsport on four wheels. Up until now you could only dream of what it would feel like coming up to a corner at 250 kph and braking only 200 metres before changing directions.

Now you can ride in one of the machines that you have seen on television. The noise, the acceleration, the braking, the grip on cornering is something that can only be fully appreciated from within the car.

Motor racing involves high speed, so your safety is paramount. Our cars are equipped with roll cages and racing seats and harnesses. Driving suits and helmets are also supplied.

The Cars

The Supercar Experience has expanded with both Holden and Ford V8 Supercars!

So climb aboard one of our 600 hp machines

Our new addition to the team is a Mirage Cup Race Car for those who want something a little tamer!

- Please call for more information -

Gift Vouchers

What a fantastic gift idea!

We have The Supercar Experience Gift Vouchers available year round for any special occasion such as Birthdays, Christmas, Anniversaries or just a wonderful surprise.

Why not give someone special the ride of a lifetime!
